Notes: (a) The methodology used for calculating expenditures on a per pupil basis conforms with the methodology used by the National Center for Education Statistics (NCES). (b) The enrollments used are second month student (headcount) enrollments. (c) All expenditures by county boards are included except those for capital improvements, debt service, community services, adult education and transits/transfers. (d) Also, not included is the portion of the legislative appropriation for the Teachers' Retirement System in excess of the employers' contribution rates of 7.5% or 15%, depending on the retirement plan, which is considered to be the State's annual required contribution towards the past service unfunded liability. (e) RESA expenditures are not included and expenditures of the seven MCVCs are allocated among the 20 county boards served by each MCVC.
